The Royal Canadian Artillery Association

Lest We Forget - Assigned

The Royal Canadian Artillery Association takes a moment of silence each year to remember those Gunners that have passed away in the previous 12 months. Unfortunately, we are not always notified of the passing of a Gunner.

Names highlighted in red in the following list identifies those Gunners that have already been assigned to an assigned RCA Association member.

If you are a current serving Canadian Gunner, a current member of a Canadian artillery unit and/or a current member of The Royal Canadian Artillery Association simply contact the RCAA Secretary secretary.rcaa.aarc@gmail.com with your request to honour one of the deceased Gunners that has yet to be assigned.

It would be appreciated if you log into the RCA website rca-arc.org and confirm your personal information is correct prior to sending in your request.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.
Lt-Col John McCrae
